3) Go to Dashboard

1. After login you will reach your Dashboard.
2. Check your name and details.
3. On the left menu, find the Final Test option.

4) Final Test Page Select Subject

1. You will see your subject card (Example: CSC National Computer Olympiad)
2. Click the Start Test button under your Phase.

5) Key Reminders Before Exam

1. Fully charge your laptop/computer or keep it connected to power.
2. Keep a power backup ready in case of electricity failure.
3. Use stable internet connection.
4. Sit in a quiet and clean place.
5. Login with correct credentials. For login issues, contact support.
6. Read all instructions before starting exam.
7. Keep pen, paper ready for rough work.
8. Keep your photo ID with you for verification.
9. This is an online proctored exam – avoid cheating.
10. Do not switch tabs or windows during the exam.

Test Name : Olympiad Test Class-10th (Cyber Security)

Key Reminders Before appearing for the CSC National Olympiad Exam:

1. Make sure your computer or laptop is fully charged or connected to power source.
2. Prepare a reliable power backup in case of an electricity outage.
3. Ensure you have a stable internet connection.
4. Find a quiet and comfortable space for the exam where you won't be disturbed.
5. Log in to the website using the credentials provided. If you face any login issues, contact our support team immediately.
6. Read all instructions carefully before beginning the exam.
7. Have all necessary stationery, such as rough paper and a pencil, ready for any notes or calculations.
8. Keep a photo ID at hand as you may be asked to verify your identity.
9. Remember, this is an online proctored exam and you'll be seen through the camera. Please avoid cheating or seeking external help. It's important to be honest.
10. Avoid switching between tabs or windows on your device during the exam; this could result in disqualification.
11. If you experience any technical issues, reach out to our help desk via email at olympiad@cscacademy.org or call at 18001213468.

Continue

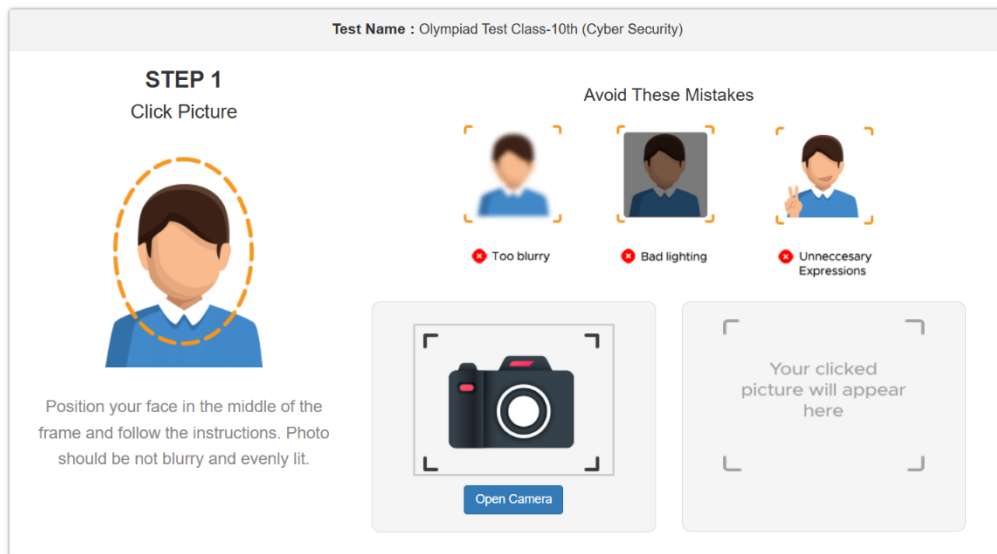

6) Face & ID Card Verification (Face & ID capture)

STEP 1 —Face Verification

1. Click Open Camera.
2. Sit straight and keep your face in the frame.
3. Make sure:

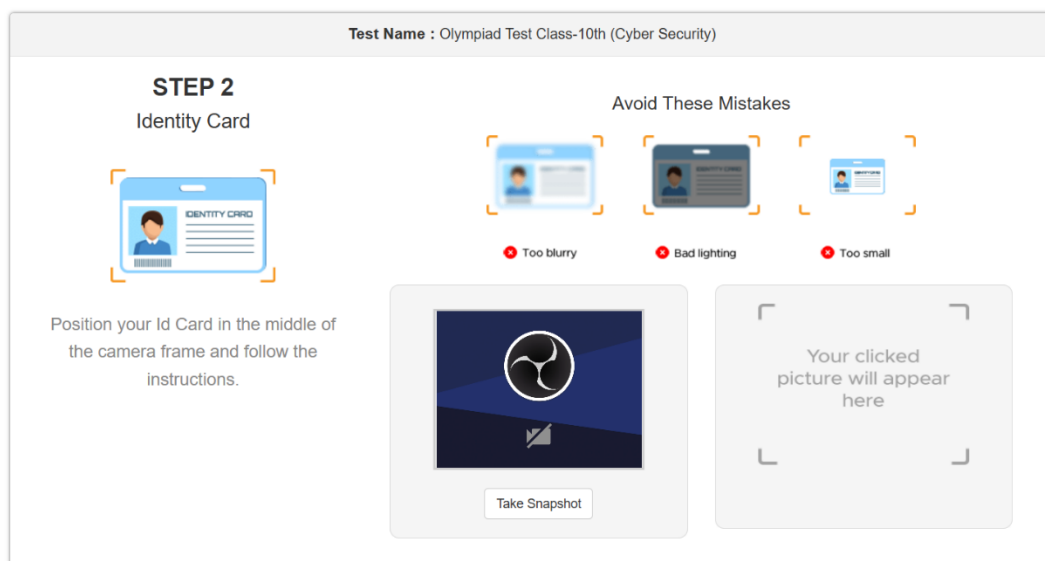

- Your face is clearly visible.
- No mask, no cap, no shadows.
- Good lighting in front of face.

4. Click Take Photo → Confirm.

STEP 2 — ID Card Verification

1. Hold your Photo ID card in your hand.
2. Show it clearly in front of camera.
3. The name and photo must be visible.
4. Click Take Snapshot → Confirm.

7) Important Exam Rules

1. Your actions will be monitored throughout the exam.
2. Cheating or unfair practices will lead to disqualification.
3. Do not exit full-screen mode during the exam—it will auto-submit.
4. Do not switch tabs or windows during the exam.
5. CSC Olympiad Management has the final authority on exam decisions.

⚠ Important

1. We will monitor your actions during the entire exam.

2. Cheating or unfair practices will lead to disqualification.

3. CSC Olympiad Management has the final say on such matters.

4. Exiting full-screen mode during the test will submit it prematurely.

5. You won't be able to complete the test if this happens.

1. पूरी परीक्षा के दौरान आपके सभी कार्यों पर निगरानी रखी जाएगी।

2. किसी भी प्रकार की चीटिंग या अनुचित प्रयास, आपको ओलंपियाड प्रतियोगिता से बाहर कर सकता है।

3. इस प्रकार के मामलों में CSC Olympiad प्रबंधन का निर्णय ही आखिरी होगा।

4. परीक्षा के दौरान फुल-स्क्रीन मोड से बाहर आने पर, परीक्षा को समय से पहले ही सबमिट कर लिया जाएगा।

5. यदि ऐसा होता है तो आप परीक्षा पूरी नहीं कर पाएंगे।

Continue

8) General Test Instructions

1. Total time: 60 minutes
2. Each question has 4 options (1 correct answer).
3. Navigation buttons:
 - Next → Move to next question
 - Previous → Go back
 - Finish & Exit → Submit test
4. Other options:
 - Switch language anytime
 - Camera preview can be shown/hidden
 - Full-screen mode is mandatory

Test Name : Olympiad Test Class-10th (Cyber Security)

General Instructions

1. There are total 50 questions in the test to be answered in 60 minutes.

2. Each question will have 4 options (except in case of True and False type questions) and 1 correct answer only.

3. There are 3 buttons in the screen. The functions of these are as follows:

1. **Next** - Will take you to the next question.

2. **Previous** - Will take you to the previous question.

3. **Finish & Exit** - Finish and Exit Button will finish the test.

4. There are 3 icons on each page. The functions of these are as follows:

1. Will make the exam screen in full screen mode.

2. You can Hide/Show the camera preview using this button in test.

3. You also have a Language dropdown on the top which allows you to switch language at any point in time.

5. You can see the time clock on the top right corner of the page. The test will be submitted automatically when the time for the test is over.

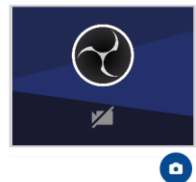

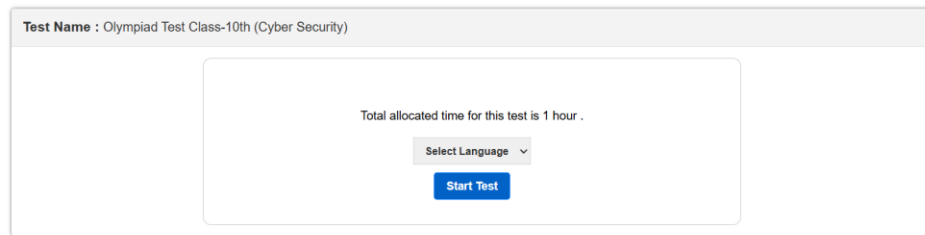

☒ I have read all instructions.

Continue

9) Select Exam Language & Click on Start Test

1. Choose your preferred language from Select Language dropdown.
2. Example: English / Hindi etc.

10) Final Start — Exam Window

1. Left side of screen: Question and answer options.
2. Right side: Question Palette showing all 50 questions.
 - Colors show: Attempted, Not Viewed, or Unattempted.
3. Top right shows Time Left.
4. Bottom buttons:
 - Previous → Go back to previous question.
 - Next → Move forward.
 - Finish & Exit → Submit exam.
5. Camera preview appears on the right – keep your face visible.
6. You can skip and return to any question using the question numbers.
